

2019–2020 World's Best Workforce and Achievement & Integration Progress Report

Respectfully submitted: December 14, 2020
Sarah Scofield- Achievement & Integration Coordinator

Achievement & Integration

...pursue racial and economic integration, increase student achievement, create equitable opportunities, reduce academic disparities... (MDE)

- Partnered with ISD 318
- SY 2019-2020 is reporting as Year 1
- A&I goals are written as 3 year goals
 - 2 Achievement Goals
 - 1 Integration Goal
 - 1 Teacher Equity Goal

Achievement & Integration

Goal #1– Achievement

Deer River School District third grade students at King Elementary School, will improve student achievement on the reading portions of the MCAs from 57% of students who meet or exceeds proficiency, in Spring of 2019 to 72% of students who meet or exceeds proficiency, in Spring of 2022.

**UNABLE TO REPORT-
Due to COVID-19 Distance Learning**

What are we doing?

- Increase learning opportunities for students in grades K-3 at home
- Increase learning opportunities via community outreach

Achievement & Integration

Goal #2– Achievement

The percentage of students meeting three or four college ready benchmarks on the ACT will increase from 22% in 2019 to 31% in 2022

**UNABLE TO REPORT-
Due to COVID-19 Distance Learning**

What are we doing?

- Implement AVID
- Increase student preparedness for ACT via counseling, recruitment, and preparation activities
- Align curriculum and train staff in ACT preparation

Achievement & Integration

Goal #3- Teacher Equity

Deer River School District will increase the number of students enrolled in the Homegrown Teacher Program from 8 students in 2019 to 15 students in 2022

GOAL NOT MET

The Education Career Pathway was not available to students 2019-2020.

What are we doing?

- Identify students in the Human Services Career Cluster
- Intentional career counseling and course scheduling will enable students interested in Human Services and Education to enroll in the Homegrown Teacher Program
- Mentors/support will be provided to students moving through high school/college transitions

Achievement & Integration

Goal #4- Integration

In collaboration with ISD 317 Anishinaabe Education, Deer River School District will enrich cultural awareness and language acquisition for students through an increase of opportunities for experiential activities consistently from 1 in 2019 to 3 in 2022

GOAL NOT MET

There were no new cultural awareness opportunities available during the 2019-2020 school year.

What are we doing?

- Provide training for staff in cultural awareness and culturally responsive teaching
- Students will participate in American Indian cultural activities (Saturday School)
